Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the PDSR for Building 881 First Floor and First Floor Mezzanine, Volume 3, dated June 17, 2004. Based on the information contained in this PDSR, we are hereby approving this PDSR for B881 First Floor and First Floor Mezzanine.

Although we are hereby approving this PDSR for B881, we previously reviewed the draft PDSR for this area of B881 and agreed that it was sufficient to allow demolition activity to proceed as described in a Contact Record dated June 23, 2004.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.
